Through

The President, District Board,

BELLARY.

Sir,

With reference to the observations contained in para 3 of G.O.No.2334 L & M. dated 20-10-23 regarding the budget estimate of the Harpanahalli Taluk Board for the year 1923-24, I have the honor to submit as follows:-

2. The grant sanctioned on account of the cost of the medical officers at taluk Head quarters stations as per para 3 (i) of the G.O.under reply is Rs 1464. This sum together with the provisional grant of Rs 330/- taken to account in the draft budget estimate of the Board will go

P.T.O.

TALUK BOARD OFFICE 24 NOV 1923 PEDDAPURAM

go to work up nil balance at the end of the year, subject to the modifications suggested in sub para (ii). It is presumed that this sum of Rs 330/- is sanctioned by the Government with the additional grant above referred to. The Accountant General Madras may be ~~xxjxxxxxx xx xxxxxxxx~~ instructed to adjust both the sums early.(i.e Rs 330 plus1464 equals 1794 in all).

3. The draft budget estimate submitted for sanction provides for nothing else but mere recurring charges under ~~xxxxxxx~~ Education Elementary. Any reduction in the allotment of the sum specified is not possible without reducing certain establishment or closing some of the schools. The expenditure was estimated at Rs 30380/-. This sum was proposed to be met as ~~xxxxx~~ follows:-

Rs 400/-	From school fees.
Rs18310/-	From special subsidies.
Rs11670/-	From general revenues of the Board
Rs30380/-	Total.

If the allotment from Local funds should be reduced by Rs3363/- as proposed in the G.O., the deficit will have to be ~~xx~~ met by additional special subsidy for Elementary Education. It may be sanctioned while passing orders on the elementary education budget of this Taluk Board/which are still pending.

4. The remaining alterations are carried out.

I have the honor to

Sir,

Your most obedient servant,

B Hanumanthappa

Alterations in Budget for 1923-24.

It has taken more than a month merely for the P.D.S. to forward the PTB's letter. The P.T.B. points out difficulty in giving effect to the reduction of the 1923 contribn for L-Educn by Rs 3,363 to Rs 8,307 for 1923-24. He fears that such a reduction is possible only by reducing the number of Schools or by stopping some Schools (para 3 on p 2 cf.). L (Edn) accepted the reduction in view of the unsatisfactory finances of the Board (sub paras (iii) & (iv) of (1) p. 1735 L (Edn) of 13-12-23). The P.W. now works for the restoration of the provision (grant in contribn or read for a special subsidy for L-Educn). The increase of 1923's contribn also will leave a deficit of Rs 3,363 in Genl L (Edn) which will have to be met from the subsidy for L-Educn funds. A complete grant of Rs 16,546 was made in Govt 2173 L dep 3-10-23 towards the deficit of this Board. para 6 cf

In order to whether a further complete grant of Rs 3,363 may be made

to this Board. The Dy. HS. has no surplus ~~is short in~~ funds to help the TK. HS. as it itself required a complete grant to balance its budget.

2. With reference to para 2 of the P. T's letter re: adjustment of medical contributions, his attention may be drawn to Fo. 1777 PH. of 30. 10. 23. under (C) which no contribution will be ~~28/12~~ paid by Govt to the HS. but it is sufficient if the HS. contributes towards the salaries of the two Sabordinate Surgeons sent to it, ~~for two months up to Augt 23~~, at the rate of Rs 122-10-0 per mensem for each of them up to 1st Septr of 23

The Sy has already been instructed to pay the ~~contribution~~ of Rs 330 due to the TK BD on account of 22-23.

The Board originally proposed to contribute Rs 11,670 from its general revenues to the E.E. fund But having regard to its impecunious condition the Board was asked to limit its contribution to Rs 8011 - Vide Sub para (iii) of G.O No 1735-L&G, dt 3.12.23 (+ this Deptt. note at p. 14 thereof). (1) In the circumstances now stated in para 2 at pp. 1-2 C.F the amount originally proposed Viz Rs. 11,670 may be allowed to stand ~~Govt~~, this deptt may agree that a further compassionate grant of Rs 3,363 is necessary (with these remarks) The file may now be passed to Finance u.o.

funds to help the taluk board. In view of the unsatisfactory condition of the Board, Finance may perhaps agree to a further compassionate grant of Rs 3363. It is presumed that the expenditure can be met from the balance of Rs. 94 lakh stated to be available in another file, out of (re provision) Rs. 18.60 lakhs made in the budget for contribution to local funds.
